Purchases

The user acknowledges that all contracts entered for the purchase of goods and/or services via this website shall be with one or more of the GNS Licensed resellers and not with GNS.

The general purchase terms on which the resellers agree to provide goods and services are as follows:

1. The resellers do not guarantee that any order or orders placed via this website will be accepted by a reseller. Acceptance of orders is solely at the discretion of a GNS Licensed reseller.
2. If an order is placed by a user, the order is considered firm and can only be modified or cancelled if agreed by the reseller, the order was placed against.
3. Delivery fees may apply for minimal orders. Please refer to your local GNS licensed reseller for their minimal order policy.
4. Delivery of goods shall be to the address nominated by the user at the time of placing an order. If the delivery address is unattended at the time of delivery, the delivery will not be made. As this policy may vary between resellers, please contact your local GNS licensed reseller for their specific policy.
5. Return policy for goods sold and delivered may vary between each reseller. Please contact your local GNS licensed reseller for their specific policy.
6. Some of the GNS licensed resellers may offer a pickup option for collection of goods. Goods purchased with a pick up option must be collected within 7 days from the purchase date. If purchased goods are not collected within 7 days, the user agrees that a reseller may, with prior notice to the user, sell those goods. Where goods which have been paid for by the user are re-sold by reason of non-collection, the sale price less the expenses associated with the re-sale shall be refunded to the user within 21 days of the date that a reseller received payment on the re-sale.
7. The user shall pay a reseller for the goods purchased in accordance with the terms agreed by a reseller whether or not there are further deliveries to be made to the user by a reseller.
8. In the event that any payment to a reseller is overdue or there is some other default on the part of the user, the reseller may cancel or suspend further delivery of goods

and/or services to the user until payment is made or the default is rectified and the reseller shall not be liable for any loss or damage including consequential loss arising as a result of such cancellation or suspension of deliveries.

9. Property in any goods sold by a reseller to a user via this website shall not pass to the user until such time as the goods are paid for in full. If the goods remain unpaid for after the expiry of the term for payment, the user must immediately upon request by a reseller return the goods to the reseller at the user's expense.
10. To the extent permitted by law and except as otherwise expressly provided, the reseller do not make any warranty as to the goods and, in particular, do not make any warranty of merchantability or fitness for any particular purpose, and the user is solely responsible for determining the proper application and use of the goods.
11. The reseller shall not have any liability to the user in tort with respect to any of the goods and shall not be liable for consequential or incidental damages that arise from any product defect, delay, non delivery or other breach on the part of the reseller.
12. Where legislation implies any condition or warranty, and that legislation prohibits a reseller from excluding or modifying the application of, or our liability under, any such condition or warranty, liability will be limited for a breach of that condition or warranty to one or more of the following: (i) the replacement of the goods or the supply of equivalent goods, (ii) the repair of such goods, (iii) the payment of the cost of replacing the goods or acquiring equivalent goods or (iv) the payment of the cost of having the goods repaired.

The terms of purchase as between the user and a reseller as set out in this paragraph are non-exhaustive and some or all of the resellers may have additional terms of trade to which a user shall be subject in making purchases from that reseller. To the extent of any inconsistency, the terms of trade published by a reseller shall prevail and shall take precedence over the terms of purchase published in this paragraph on this website.
